

A dark room featuring a large, dark wooden cabinet with a glass door. On top of the cabinet is a small shelf holding several small figurines: a teddy bear, a robot, a man, an astronaut, and a cat. A bright beam of light from the left illuminates the cabinet and the wall behind it. A projection screen is mounted on the wall, displaying a cartoon of a dog sitting at a table with a bowl of food. The text "projector furniture" is overlaid in the bottom right corner.
